

Please welcome Penny to our overnights (midnight to 5 a.m., Tuesday through Saturday). She shares phone calls, stories, and encouraging moments from artists, authors, and people from every area of life. We believe you'll quickly feel like you've known Penny for years.

From the second Penny heard the big radio stations in Boston, God put it in her heart that this is what she was meant to do. She has moved all around the U.S. on her radio journey traveling the path God had in store for her in radio and now she feels very blessed to be able to share contagious encouragement with Keep the Faith™. Penny is the mother of three beautiful boys, and wife of an amazing IT husband.

She says, "Life can be difficult at times, but sometimes all you need is a little reminder that God IS there and he IS in control ... you are NOT alone."

You're invited to call Penny's direct line anytime at 800-335-1249.
