Dates	Location	Type	Cost
June 23 - July 1, 2017	Island Ariri	WORD FM Mission Trip	\$2650.00 per person Includes Airfare
			Group Size: 25—50 participants

Where are we going?

WORD FM and World Servants are working alongside Daniel Schimenes and his organization, One Challenge International, in Brazil. They have a passion to help communities in Brazil to hear about the Gospel and encourage communities by helping meet physical needs. If you consider yourself or your group adventurous, then you'll appreciate the three-hour boat ride to Ariri, where there are very few vehicles, dirt roads, and no gas station. Ariri is a village unlike most others in Brazil. Its unique location, nestled in the coastal waters south of Sao Paulo, and its isolation from the modern world outside the community, have left it relatively unchanged for centuries. The people of Ariri have lived there all their lives, fishing in the waters surrounding the island.

What are we doing?

We will be helping the local community in Ariri on a project that the Evangelical Mission of Assistance to Fisherman are working on to aid the local fisherman and their families. We will be helping build a refrigerated facility that will aid the fisherman to store their daily catch and allow them to process and sell the fish under the new health standards of Brazil. Most families do not have electricity and refrigeration in this area; therefore a cooperative holding and processing facility will help 15 families directly and the local economy of the village. Through meeting these physical needs it can open up the door to continue to reach this area with the Gospel.

In addition, the team will participate in experiential cross-cultural training before and during the trip, present Kids' Club in the local village. We may have the opportunity to travel to other local villages to present Kids' Club and work on a construction project to help local families.

The team will spend their day off visiting points of interest in Brazil. We will plan to visit the beach, market and cultural city center. .

Food, Lodging, and Travel

All meals will be prepared for us by locals hired from the community who understand the need for good, healthy meals. The main diet consists of bread, potatoes, cornmeal, some beef and chicken, eggs, rice, tomatoes, cabbage, carrots, beans, avocados, along with fresh pineapple, mango, bananas and papaya. Clean, safe water will be available to the team at all times.

You'll meet your WORD FM team at JFK Airport fly into Sao Paulo where World Servants will meet you and transport you by bus and boat to your lodging located on the island off the coast of Brazil –We will be lodging at a local hotel in Ariri. Our lodging is close to the project we will be working on. Simple style rooms with beds, restrooms and showers will be our accommodations for the trip.

Is it safe?

Trip safety is extremely important to World Servants and our host community. Brazil and Ariri is considered very safe and we do not anticipate any safety issues. Be assured, World Servants will not hesitate to cancel or suspend a trip if appropriate.

Registration

Please register online at www.WORDFM.org registration deadline is April 1, 2017.

Questions?

Please feel free to contact WORD FM at 215-721-2141 about this trip or your World Servants Mission Leader for Brazil, Stephanie Boyd at sboyd@worldservants.org or 304-457-4575, if you have any questions.

In partnership with

World Servants is a worldwide, interdenominational organization. For almost 30 years, we have sent people to communities around the globe to be learners, servants, and storytellers open to the works and teachings that God has prepared. Mission participants are challenged and developed through learner-driven cross-cultural training and dynamic short-term mission projects. These projects have a long-term impact both on volunteer participants and local communities while assisting these communities to become self-sustaining and interdependent. Our hope is participants will be inspired to continue to serve people in need upon their return home. We believe as people develop as servants and leaders, they implement servant hood into all areas of life: business, family, community, congregations, government, and international relationships.
